PETITIONING THE COURT

To issue a warrant.

On May 24, 2024, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Mr. Sanders, as outlined in the judgment and sentence. He signed a copy acknowledging the requirements.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

1	<u>Special Condition #4:</u> You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
---	--

Supporting Evidence: On or about January 21, 2025, Roland Sanders allegedly violated special condition number 4 by consuming fentanyl.

On January 21, 2025, the offender reported to the U.S. Probation Office (USPO) to check-in, as he believed he was required to; it should be noted that this officer had actually instructed Mr. Sanders to check-in via phone call, but he reported to the office instead.

On that date, the individual under supervision was subject to random urinalysis testing, and provided a urine sample that was presumptive positive for fentanyl. Mr. Sanders denied any illicit drug use to the officer who collected that urine sample, and signed a denial of use form. The sample was subsequently sent to the laboratory for additional testing.
